

TEREVA COLAS

How do you measure a ring size?

Please make sure that your printer is set to 100% print size and print out this PDF.

Cut out your Tereva Sizer along the dotted line.

Place the Tereva Sizer over your finger and pull the tab until it fits comfortably.

Read the size from the scale in mm and tell us the size of your ring.

Measurement (mm)

44.2	45.5	46.8	48	49.3	50.6	51.8	53.1	54.4	55.7	56.9	58.2
------	------	------	----	------	------	------	------	------	------	------	------

Ring size

3	3.5	4	4.5	5	5.5	6	6.5	7	7.5	8	8.5
---	-----	---	-----	---	-----	---	-----	---	-----	---	-----

Measurement (mm)

59.5	60.8	62.1	63.3	64.6	65.9	67.2	68.4	69.7	71.0	72.3	73.5
------	------	------	------	------	------	------	------	------	------	------	------

Ring size

9	9.5	10	10.5	11	11.5	12	12.5	13	13.5	14	14.5
---	-----	----	------	----	------	----	------	----	------	----	------
